HOW BIG WAS JESUS' SACRIFICE?

Jesus made the ultimate sacrifice. He gave up his life for us. His love for us was that strong. What "sacrifices" would you do for a friend?

Name someone that you love or someone you consider a friend: _____

What would you do for this person?

- Pay for their lunch if they didn't have any money.
- Give them your favorite video game.
- Do a big chore like shovel the whole driveway after a huge snowstorm.
- Shave your head as a show of your support when they have cancer and lose their hair.
- Stay with them when they are sick and care for their needs.
- Get punched in the face for them.
- Take the blame for a crime they did and go to jail.
- Donate a kidney because both of their kidneys are failing.
- Push them away from a speeding car which means you get hit instead.
