

MY LENTEN REFLECTION....

How Big Was Jesus Sacrifice?

Jesus made the ultimate sacrifice. He gave up his life for us. His love for us was that strong.

What "sacrifices" would you do for a friend?

What "small sacrifice" can you do for Lent?

What Would You Do For A Friend?

Name someone that you love or someone you consider a friend: _____

What would you do for this person?

- Pay for their lunch if they didn't have any money.
- Do a big chore like shovel the whole driveway after a huge snowstorm.
- Give them your skateboard because they cannot afford one.
- Shave your head as a show of your support when they have cancer and lose their hair.
- Stay with them when they are sick and care for their needs.
- Get punched in the face for them.
- Take the blame for a crime they did and go to jail because they have a child to care for.
- Donate a kidney because both of their kidneys are failing.
- Push them away from a speeding car which means you get hit instead.

My Lenten Sacrifice...

During Lent, we are called to do **small** sacrifices that help us either reflect on Jesus' sacrifice, minister to others, or better ourselves spiritually.

What will you do extra during Lent?
